Knudsen Fix Shims

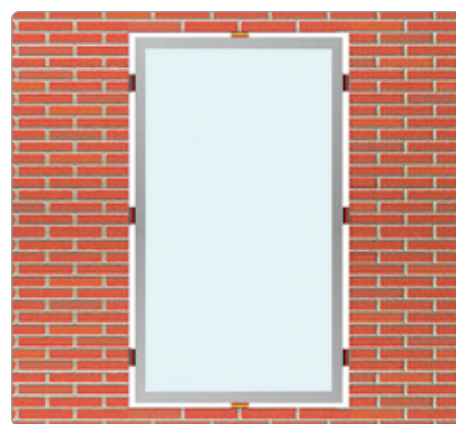

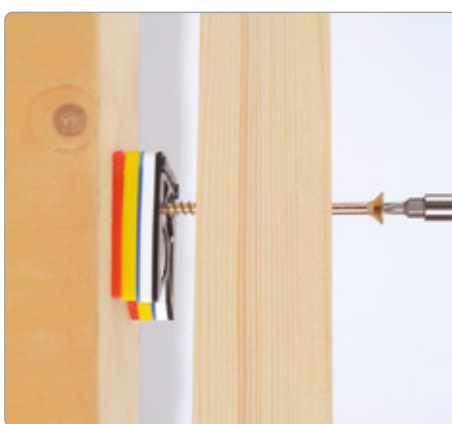

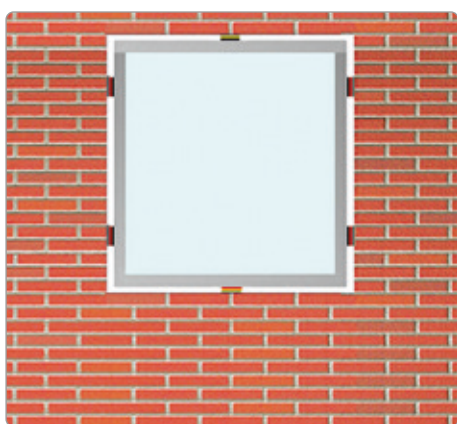

Fix Shims

- fast and accurate vertical assembly

- Quick and easy assembly on vertical surfaces
- Documented lifespan of min. 75 years
- Not affected by damp, rot, or dry rot
- No toxic smoke in case of fire

Knudsen Fix Shims spacer blocks are suitable for all types of tasks where items need to be stabilized, e.g. when installing doors and windows, setting up kitchen and bathroom elements, moldings, panels, etc. Fix Shims are particularly suitable for mounting on vertical surfaces, as they are designed as a split piece with fins, that ensure a stable grip on the screw during any assembly.

Knudsen Fix Shims are made of high-quality plastic that is frost-resistant, UV-resistant, and unaffected by moisture and water.
